About the Center

Mission

The mission of CTCC program is to provide a safe, affordable, developmentally appropriate environment for infants through school-aged children. CTCC will provide stimulating educational experiences, promote social/emotional growth and encourage physical activities. Our goal is to promote healthy habits at a young age that children will carry with them as they grow.

Philosophy

Teaching children the importance of education, fitness, and awareness of the environment is an integral aspect of good citizenship. At Cedar Tree Child Care, natural cleaning products are used in place of chemical cleaning products. CTCC's goal is to promote healthy habits at a young age that children will carry with them as they grow. To support a lifetime of healthy living, healthy foods and water are provided at snack times, and exercise is always incorporated in our daily routines. We also encourage parents to pack healthy meals for lunch.

At Cedar Tree Child Care, we will implement age appropriate

activities that focus

Language and Literacy, Music, Movement, Mathematics, Science, Social Studies and Creativity.

Keystone Star Program

Cedar Tree Child Care will participate in the Keystone STARS Program. Keystone STARS is a PA rating system that promotes quality improvement in early learning and school age child care programs. A Keystone STARS

designation informs parents that their children are in a safe, respectful environment in which they are learning new things every day to support their current and future successes in school and in life.

Early learning child care programs participating in Keystone STARS can earn a quality rating score from a STAR 1 to a STAR 4. At each level, programs must meet certain quality standards in four key areas: staff education, learning environment, leadership/management, and family/community partnerships. CTCC will strive to meet these quality standards.

Inclement Weather Policy

In the event that we have inclement weather causing conditions to be hazardous to our families, CTCC will follow the Abington School District School Closing. Therefore, if Abington School District is closed or has a delayed opening so does Cedar Tree Child Care. Families will be notified by telephone or television/radio (KYW 1060) broadcast. If the facility must close during operating hours because of a snowstorm, the Director will notify families by telephone.

Absentee Policy for Illness and Vacation

After 6 months of enrollment, children will be eligible for one week of vacation. We ask that parents give us a 2-week notice for vacation use in order to staff accordingly. These days will be documented in each child's file.

In the event that a child is absent due to an illness we ask the parent to contact Cedar Tree Child Center by 9:00 a.m. Vacation days may not be used for illnesses.

Health and Well Being

The State of Pennsylvania requires medical and emergency forms in your child's file on site.

1. Medical examination must be signed and dated by your physician
2. Emergency Contact/Parental Consent Form is completed, by you.

These forms are intended to protect your child, and we appreciate your cooperation in keeping them current. Forms must be updated if there are changes of address, phone numbers and/or emergency contacts.

Illness

We strive to prevent the spread of illness and ask that you keep your child home if he/she is experiencing any of the following symptoms:

- A fever of 100 or greater before child care, accompanied by behavior changes or other signs or symptoms of illness-until medical evaluation indicates inclusion in the Center
- Symptoms or signs of possible severe illness, such as; uncontrolled coughing, irritability, persistent crying, unusual lethargy, wheezing, or other unusual signs
- Strep throat until 24 hours after an antibiotic started
- Diarrhea; runny, watery, or bloody stools within the last 12 hours • Vomiting 2 or more times in the last 24 hours
- Rash with fever or behavior change
- Scabies or other infestations
- Impetigo 24 hours after treatment has begun

- Chicken pox 5-7 days after blisters appear
- Pertussis, mumps, rubella, shingles, herpetic gingivostomatitis
 - Hepatitis A- until 1 week after onset
- Sore throat with fever
- Eye discharge (white or yellow) or pink eye; until 24 hours after starting treatment; if treatment is not sought then when the discharge clears
- Child is irritable, continuously crying or requires more attention from a caregiver than what they can provide without jeopardizing the health and safety of other attending children
- Respiratory illness – RSV – until 1 week after diagnosed

Your cooperation is greatly appreciated!

Your child may return when:

1. They are fever or symptom free for at least 24 hours before returning to daycare
2. They have been treated by a doctor and a doctor provides written documentation permitting your child to return to CTCC.

We ask that our parents provide the doctor's release to the Director as soon as possible. If your child becomes ill while at the center, then you will be called to pick up your child within 2 hours. Exposure to communicable diseases and any infectious illness should be reported promptly to CTCC, so our staff can look for any early symptoms. CTCC is obligated to notify parents when a child has been exposed to an infectious disease.

Cedar Tree Child Care reserves the right to have precedence over the physician regarding your child's return to the program.

Medication Policy

Medication prescribed or ordered by a physician or dentist will be administered during the time the child is at CTCC. Parents will need to give written authorization and instructions by filling out a Medication Log Form. This form needs to be filled out before the child will be given any medication at CTCC. All medications brought to CTCC should be in its original container. They need to be properly labeled with:

- the child's name - medication name - amount to be administered – doctor's name and pharmacy

Per a phone call to the parent over the counter medication will be given according to the instructions on the label. Over the counter medication can only be given 5 consecutive days at CTCC.

Child Accident Form

Our staff takes every effort to ensure the safety of your child. Unfortunately accidents do occur. In case of that event, an accident form will be filled out by Cedar Tree Child Care staff for every detected injury that occurs. A copy with your signature will be retained for your child's file. A child coming into the program with injuries may require an accident form, so both the parent and staff are aware that they did not occur at CTCC.

Child Incident Form

An incident form will be filled out by Cedar Tree Child Care staff if your child exhibits behavior that is not acceptable and behavior, which does not adhere to the classroom discipline

policy. A copy of this form with your signature will also be kept in your child file.

Biting Policy

We understand that biting is a developmental stage for some children. We try to redirect the behavior and figure out what the trigger is for the biting. However, if biting persists there will be a meeting with the parents, director and teachers to develop a plan. Following the meeting, a child who bites twice in one day will be sent home for the day. We will try this technique for 2 weeks, and if the biting continues you will be given a two-week notice for dismissal.

Clothing

Please dress your child according to the weather with appropriate hats, mittens, and coats during the winter months. Mark all items with your child's name. Be sure your child has indoor shoes to wear. This helps keep our center clean and children out of wet boots.

Dress your child in appropriate clothing so that they feel free to participate in all activities. We are not responsible for damaged clothing. We also ask that parents provide an extra set of clothing for their child that will remain at the facility. Please label all items with your child's name. This will help our teachers tremendously in the event of any accidents that may occur.

Emergency Plans

A plan in case of a fire is posted by each exit door in each classroom and will be practiced monthly, so that your child is familiar with the drill and not alarmed in case of a real emergency. In case of an actual fire, children will be escorted out of the building according the Emergency Action Plan and parents will be contacted immediately, if phone

lines are operable. Pastor Cynthia's home will be the designated area that children and staff will go to in the event of a fire.

Other plans such as an intruder, intoxicated parent, are practiced routinely and/or they are reviewed by staff. This prepares them in case the need should arise. In the case of a medical or dental emergency the parent of the child will be notified.

Arriving and Leaving the Center Attendance

Children will not be able to attend daycare for the day if they are not dropped off by 10:00am. If your child has an appointment and will be later than 10:00am, the Director must be notified.

Authorizing Individuals to pick up your Child

On the emergency contact/parental consent form, you will find a line asking for the names of the individuals who are authorized to pick up your child. You may authorize as many individuals as you wish on your form. You must leave a written note in the morning or tell the staff member if someone who is not on the list will be picking up if such a situation arises. We will not allow your child to leave with any unauthorized person or any person noticeably intoxicated. This is for the safety and protection of your child. We will check the ID of the person listed to pick up your child. Please remember to keep this form updated with your current phone number, address changes and people authorized for pick up.

Checking In and Out

It is required that all children be escorted inside the center and that the arrival time is recorded on the attendance sheet in your child's classroom. When picking up your child please communicate with a staff person and record the departure

time on the attendance sheet.

Meals

Parents will be providing lunch for their child. Please make sure all lunch bags, containers, cups, utensils are labeled. Parents are encouraged to pack nutritious lunches. Candy, soda, sugary drinks are not permitted.

CTCC is peanut free.

Birthday, holiday treats, or special treats are permitted. Please check with your child's teacher so you know how much to bring and what is an acceptable treat.

Family Involvement

There will be a monthly Cedar Tree Child Care newsletter and calendar sent home to parents. It will include information on upcoming events and information about activities. It may also include messages or requests for families.

Volunteers

Cedar Tree Child Care encourages volunteers. Volunteers are important and can often serve as a mentor in your child's life. All volunteers are required to have a criminal records check. CTCC welcomes parents and grandparents to share an interest with the children such as a hobby or a book.

Donations

Cedar Tree Child Care strives to be an affordable center. CTCC's efforts to maintain well-trained caregivers is a costly endeavor. Our doors are open to donations of toys, books in good repair, etc. All donations will be noted and appreciated.

Fundraisers

From time to time Cedar Tree Child Care will conduct fundraisers to meet varied expenses and to meet needs of

children to rotate new materials and supplies for children. These fundraisers are a positive way to show community and family support for early childhood education.

Classrooms

Infants (6 weeks to 12 months)

In our infant room caregivers emphasis is on the individual needs of each infant. We provide the utmost security, love and nurturance for the little ones in our care. Planned activities provide ample opportunities for exploration of a stimulating and safe environment. All of our materials are selected to provide a variety of natural learning experiences for your infant through manipulation and sensory awareness. Language development is emphasized with planned and spontaneous opportunities for communication between the staff and the children.

The CTCC will keep a written record of each child's activities during the day in each of the following areas:

- the amount of time your child has slept
- the diaper changes
- irregularities in the your child's bowel movement
- and the achievement towards any developmental milestones.

Biting is common among young children and occasionally it happens while the child is at CTCC. It can occur for the following reasons; teething, cause and affect, attention, imitation, stress, frustration, and independence. We know biting can be very uncomfortable for both parties involved. When a child bites we will do our best to properly treat it. An incident form will be filled out for the biter and an accident form will be filled out for the injured. The biter may also help comfort the injured, by holding the ice pack on the bite mark. This often teaches the biter that biting hurts and is unacceptable behavior.

In order to prevent the spread of illness, all toys in the Infant Room are washed after each use.

Families are to furnish the following items for their infant:

- infant formula, bottles, baby food • disposable diapers, wipes, lotion • blanket, crib sheet (sheets and blankets are sent home each Friday to be laundered) • Pacifier (if needed)
- a change of clothing. Please be sure to label your child's belongings.

SIDS Policy:

Please dress your infant in clothes that provide warmth for sleeping. Blankets are not placed in pack and plays and no toys, pillows, or boppies are allowed in cribs without a doctor's note. Your infant will always be placed on their back when in their pack and play. No infant will be placed in a car seat, boppy, or bouncy seat to sleep.

New research on infant development states that infants need tummy time for brain development and muscle development. If a child medically needs to be placed on their abdomen to sleep, then a written note from the doctor needs to be brought to the Center.

Our teachers do "care teaching" opportunities. Their curriculum is based on the needs and development of your child. Preschool - 3 Year Olds to 5 Year Olds

At Cedar Tree Child Care, we strive to provide your child with the best possible learning environment. Children succeed in a learning environment with a routine. CTCC has at its core such a routine. Our daily routine consists of music, small and large motor activities, calendar time and learning centers. New skills are being developed every day. At this age children learn by doing. They like to spend a lot of their time pretending. Dress-up clothes, pretend "props", and

puppets are a few of their favorites. Our Lead Teacher will create daily lesson plans that reflect and prepare students for the Abington School District Kindergarten curriculum, giving your children the opportunity to learn character development along the way.

Lots of children at this age are very energetic and active. Therefore, CTCC offers children large motor activities inside or outside as an important part of their day. Naps are also included in their schedule. We also respect the spontaneity of children; therefore story time might lend itself to extended activities related to the story.

Families are asked to provide the following items for their Preschoolers:

- Sheet and blanket
- Kleenex (when requested).
- Extra set of clothing.

Please be sure to label your child's belongings.

They are also given time to choose from a variety of activities with their friends. A morning snack is provided before the children are taken to school.

After school the children are given an afternoon snack. They have quiet time to work on their homework or read. They are also provided the opportunity for outdoor play children and other activities to choose from.

Service to a child with special needs.

Cedar Tree Child Care will make reasonable accommodations to include a child with special needs in accordance with applicable Federal and State laws.

Cedar Tree Child Care will make arrangements for an adult individual who provides specialized services to a child with special needs to provide those services on CTCC premises

as specified in the child's IEP, IFSP or written behavioral plan.

Cedar Tree Child Care will make parents aware of community resources for the family of a child who may have special needs.

Curriculum

At Cedar Tree Child Care, we have positioned ourselves as one of the leading child care programs in the area. We accomplish this by using a solid curriculum that is reflective of not only educational components, but character building pieces as well. Your child will participate in educational activities throughout the day. It is important to be aware of the curriculum used your child's classroom. We are making our resources available to parents as a way to help promote healthy development/child-rearing. Parent/teacher will occur twice a year. However, feel free to discuss any concerns with your child's teacher. We are here as a partner in your child's education and well being.

Written curriculum plans are posted and daily schedules are posted in each room. Ask your child's teacher for further details. Our curriculum plans are based on developmentally appropriate practices and individual learning styles and needs.

Spiritual Enrichment Disclosure

Elkins Park Presbyterian Church offers a monthly spiritual enrichment class to the children of Cedar Tree Child Care. The children will listen to faith based stories and Christian music.

Toys

Please DO NOT send toys from home with your child as they may get lost or broken. Books and CD's/tapes that a child

wishes to share with the class should be marked with the child's name and given to the teacher. If your child's class has a "sharing day" you will be notified. Toy guns and weapons are not allowed at CTCC at any time.

Discipline Policy

We use positive behavior guidance techniques such as modeling and encouraging expected behavior, redirection, and setting clear limits. "Think Space" is used when necessary, with one minute per year of age used as the maximum time away from the regular activities. Children feel comfortable and confident knowing their child care teacher's expectations match and respect their developing capabilities. Incidents of aggressive behavior toward other children or teachers will be reported to families in writing. After two incidents of aggressive behavior, the Director will call the family. After the third incident, a conference will be held with the family, childcare staff, and Director. If aggressive behavior continues, the child will be suspended from our program until further notice.

Mandatory Child Abuse Reporting/Appeals

Under the Pennsylvania Child Care Code employees of a licensed Child Care Center are mandatory reporters of child abuse and must report it immediately to the Department of Human Services when in the course of working with a child, the employee has the reason to believe that the child has suffered a non-accidental injury as a result of abuse or willful neglect.

Liability Insurance

Cedar Tree Child Care has comprehensive general liability insurance to cover the persons who are on the premises. A current copy of the insurance policy is on file.

Cedar Tree Child Care will report to the DPW liability

insurance claims brought against the operator or a facility person.
